Dear Mrs. Pizzato,

I am very grateful for the food your association has donated to us. The Catholic Center Of Concern gives out food to a very differentiated clientele; families, whose breadwinner is unemployed, families or individuals with serious medical problems, victims of fires, crimes, or natural disasters, senior citizens with a very low income, individuals waiting for their disability claims to be approved: these are some of the most common emergencies, but there are many other circumstances where we witness the real need of people.

Food is a prime necessity, and we try to help in the best way we can with the help of our churches, associations like yours, and generous individuals.

Thank you for thinking of us. And thank you for arranging with Mr. Mark Russel to deliver the food to us. This also helps us a lot.

Please, convey our gratitude to all the members of your association who have participated in the drive. I wish all of you could see the smiles, when our clients receive the food.

Be assured of our prayers, and may God bless all of you and your families!

Sincerely,

Sister Cecilia C. Zamboni, MC  
Director
